## **2016-17 Participation In Extracurricular Athletics**

During the course of the 2016-17 school year, Marian Catholic High School will offer participation in twenty-four different sport activities. Depending on current trends, multiple lower level opportunities are available as well.

Prior to being allowed to tryout in a sport discipline, each student-athlete is required to fill out paperwork and fulfill signature responsibilities. No one will be allowed to participate in a tryout without the proper registration.

To that end, Marian Catholic High School has prepared and made available to each interested individual the **2016-17 Athletic Participation Form** to fulfill necessary registration requirements.

Forms are available through the athletic department, the main office of the school, and are downloadable from the school website. The form is a two-sided document. **If you download the form – please be sure to print both copies. You will fill out the first side as identified below, INITIAL THE SECOND SIDE, and staple together.**

The following four (4) sections must be identified;

1. **SCHOOL INFORMATION** – All areas are to be filled in legibly and identified with accurate information;

2. **INSURANCE INFORMATION** –

All participants are required to have identified insurance coverage prior to competition.

Identification of the parent (s) / guardian (s) **insurance company** should be the first consideration in this category.

In the event that you need to purchase supplemental insurance to fulfill the requirement, you may do so on-line, **AND ONLY ON-LINE**, with Special Markets Insurance Consultants. This information should be available on the Athletics Page in the near future.

3. **PRE-PARTICIPATION PHYSICAL EXAMINATION FORM**– Student-athletes are required to obtain a doctors' signature and an updated athletic physical each year;

4. **PARENTAL / STUDENT VERIFICATION**

**Parent/Guardian Signature:** Form must be signed and dated by a parent/guardian;

**Student Signature:** Form must be signed and dated by a parent/guardian.

The form should then be made available to the athletic department.

***Student-athletes will be denied participation pending the fulfillment of the above requirements.***
